Alma Mater

Hail, dear old Woodlawn High, noble and strong,

To thee with loyal hearts we raise our song;

Swelling to heav'n aloud, our praises ring;

Hail, dear old Woodlawn High, to thee we sing.

Majesty as a crown rests on thy brow.

Pride, Honor, Glory, Love before thee bow;

Ne'er can thy spirit die, thy walls decay;

Hail, dear old Woodlawn High, for thee we pray.

Hail, dear old Woodlawn High, guide of our youth,

Lead thou thy children on to light and truth;

Thee, when Death summons us, others shall praise;

Hail, Alma Mater dear, through endless days.

THE SKIPPER'S MESSAGE TO THE GRADUATING CLASS OF 1956

You, the graduating class of 1956, have presented this newly designed Woodlog as a voyage at sea. This brings to me memories of you who have made and are making the journey on the sea of life. May we think of our school as a great boat factory. Our production consists of selecting the finest materials (young men and women) and through careful guidance and instruction prepare them for this voyage on the sea of life. We are producing sturdy surf boards, pleasure or fishing boats, luxurious passenger liners, cargo or freight boats, and speedy, mighty vessels of war. Each boat, or each of you, plays an all-important part in this life's voyage. That part affects the boat factory, yourself, your family, and our country.

As a parting thought, remember that, regardless of the constructural material, your future success can never be attained without your selecting God as your Pilot and letting Him guide and direct your voyage and your life.

Good luck, much success, and may God direct and guide you in your life's voyage.
